[4] Figures were published by the National human Rights Commission (Komnas HAM) in July 2023, see Suara Papua (30.07.2023): 5.296 Warga Kabupaten Maybrat Masih Bertahan di Tempat Pengungsian, available at: <https://suarapapua.com/2023/07/30/5-296-warga-kabupaten-maybrat-masih-bertahan-di-tempat-pengungsian/>

[5] The number was compiled from multiple lists with names of IDPs which local human rights defenders compiled in Pegunungan Bintang between April and July 2023. Church workers updated the number of deaths in July 2023

[6] The number is based on a name list that human rights defenders in Serambakon compiled shortly after the displacements occurred.

[7] The number is based on data compiled by local church workers. The information was received in February 2022

[8] The number is based on a name list that human rights defenders in Dekai compiled in September 2023

[9] The number is based on an estimation made by local human rights defenders in Kramongmongga in September 2023
